THE KERALA SLUM AREAS (IMPROVEMENT AND CLEARANCE) BILL, 1971

(Report of the Select Committee)

The Select Committee to which the Kerala Slum Areas (Improvement and Clearance) Bill, 1971 was referred have considered the Bill clause by clause and now submit this their report with the Bill as reported by the Committee annexed thereto.

2. The Bill was published in the Gazette Extraordinary dated April 19, 1971. The Bill was introduced in the Assembly on July 11, 1973 and the motion for reference to the Select Committee was adopted on the same date.

3. The Committee held eleven sittings of which three sittings were entirely devoted to the recording of evidences from Chairmen of Municipalities, representatives of Associations, organisations and persons interested on the provisions of the Bill. Changes proposed by the Committee and the reasons therefor are set out in the following paragraphs.

4. *Clause 5*.—This clause seeks to prohibit erection of new buildings and additions to or alterations in existing buildings in a slum area without the previous permission of the competent authority. Clause. 8 (original clause 9) seeks to empower the competent authority to prohibit erection of buildings in a slum area without the previous permission in writing of that authority. The Committee feel that if clause 9 is suitably modified to provide for prohibiting additions to, or alterations in existing buildings in a slum area, clause 5 can be omitted. Clause 5 has accordingly been omitted and clause 8 (Original Clause 9) has been modified suitably.

5. *Clause 12 (original clause 13)*.—The Committee consider that a copy of the order passed by the District Collector under sub-clause (2) should be furnished to the local authority concerned. A new sub-clause has been inserted for this purpose as sub-clause (3) and the subsequent sub-clauses renumbered.

6. *Clause 21 (original clause 22). Sub-clauses (3) and (4)*.—The Committee think that the reference to the Board of Trustees for the improvement of the City of Trivandrum should be omitted as there is no such body now. Suitable modifications for the purpose have been made in these sub-clauses.

33/1780/MC.

7. *Clause 24 (new clause).*—The Committee are of opinion that the Government should have power to revise the appellate orders passed by the Collector under clause 23. A new clause has been incorporated in the Bill for this purpose as clause 24.

8. *Clause 26.*—Sub-clause (3) of the clause seeks to prescribe the amounts payable by a tenant occupying a building in a slum area in relation to which any work of improvement has been executed or which has been re-erected. The Committee consider that the rate of six per cent of the cost of the work of improvement specified in sub-clause (3) (a) (ii) and four per cent of the aggregate cost of reconstruction of the building specified in sub-clause (3) (b) are very high and that the rates should be reduced to 4 per cent and 3 per cent respectively. Necessary modifications have accordingly been made in this clause.

9. *Clause 27 (new clause).*—The Committee are of the view that tenants of buildings in respect of which works of improvement have been executed or which have been re-erected should be prohibited from sub-letting the buildings or alienating their rights in respect of the buildings without the previous written permission of the competent authority. A new clause has accordingly been incorporated in the Bill for this purpose as clause 27.

10. *Clause 37 (original clause 36).*—The Committee are of opinion that appeal against the orders of the Collector should lie to the Government instead of to the Board of Revenue. Sub-clauses (2) and (7) have been modified for this purpose.

11. *Clause 39 (original clause 38).*—The Committee consider that the fine of Rs. 1000 prescribed for contravention of the provisions of the Act is too high and that it should be reduced to Rs. 500. Necessary changes have accordingly been made in the clause.

12. *Original clause 42.*—The Committee think that since the penalties prescribed in clause 39 can be imposed by a Judicial Magistrate of the Second Class, this clause which purports to give jurisdiction only to a Judicial Magistrate of the First Class is unnecessary. The clause has accordingly been omitted.

13. The other changes made in the Bill are either verbal or consequential.

K. AVUKADERKUTTY NAHA,
Chairman of the Select Committee.

Manner in which and principles according to which net average monthly income is to be calculated

1. The competent authority shall first determine the gross rent actually derived by the owner of the land acquired, including any building on such land, during the period of five consecutive years referred to in sub-section (1) of section 16.

2. For such determination the competent authority may hold any local inquiry and obtain, if necessary, certified copies of extracts from the property tax assessment books of the municipal or other local authority concerned showing the rental value of such land.

4. Forty per cent of the gross monthly rent referred to above shall not be taken into consideration in determining the net average monthly income but shall be deducted in lieu of the expenditure which the owner of the land would normally incur for payment of any property tax to the municipal or other local authority, for collection charges, income-tax or bad debts as well as for works of repair and maintenance of the buildings, if any, on the land.

5. Where the land or any portion thereof has been unoccupied or the owner has not been in receipt of any rent for the occupation of the land during the whole or any part of the said period of five years, the gross rent shall be taken to be the income which the owner would have derived if the lands had been leased out for rent during the said period, and for this purpose the rent actually derived from the land during a period prior or subsequent to the period during which it remained vacant or from similar land in the vicinity shall be taken into account.
